Consultant Plastic, Reconstructive and Cosmetic Surgeon

COSMETIC  
SURGERY  
PARTNERS

Marcus Qualified from St George's Hospital Medical School, University of London in 2004, undergoing his post-surgical training in London and the West-Midlands, culminating in his being entered on the GMC Specialist Register for Plastic Surgery in 2017, when he also took up a Consultant position in the NHS, culminating in Marcus being the clinical lead in his Department for four years until he retired from the NHS in 2023. Marcus is Certified in all elements of Cosmetic Surgery with the Royal College of Surgeons, now focusing more on Cosmetic Breast Surgery (Augmentation/Uplift/Reduction/Fat grafting), body surgery (tummy tuck/liposuction), eyelid surgery, Labiaplasty, and the so-called 'Mummy makeovers'.

Marcus has trained in some of the most prestigious Plastic Surgery units in the UK – most notably in East Grinstead, St Andrew's (Chelmsford), St Thomas', The Royal Marsden Hospital and at the Queen Elizabeth Hospital, Birmingham. Marcus gained a Masters degree in Reconstructive Microsurgery from the Universitat Autònoma de Barcelona – spending time training in Helsinki, Paris and Barcelona.

In 2016 Marcus was awarded a place on the prestigious Dutch National Facial Plastic Surgery Fellowship, having already completed a renowned Breast Reconstruction Fellowship in England. Marcus was also awarded and completed the highly sort after nationally appointed TiG Cosmetic Fellowship in London in 2017, during which he spent an intensive training period with some of the biggest names in the industry, honing his Cosmetic Surgery knowledge and skills.

Marcus has published and presented both Nationally and Internationally, and his C.V. includes awards and prizes from the main National associations for Plastic and Cosmetic Surgery (BAPRAS and BAAPS), as well as from overseas meetings.

- GMC specialist registered for Plastic Surgery (6103499)
- Fellow of the Royal College of Surgeons of Edinburgh
