

MR MOHSEN EL GAMMAL

Consultant Oncoplastic, Reconstructive & Cosmetic Surgeon

020 7486 6778

Mr Mohsen El Gammal is a keen believer in patient centred care and works together with his patients and his team to provide the best care within strict evidenced based practises. He has published numerous peer-reviewed publications in highly respected international medical journals and conducted world-wide presentations in his field of expertise.

Mr El Gammal has over 25 years of experience solely dedicated to breast surgery and breast reconstructive surgery. He undertook his specialist training in the UK and Spain. He is on the GMC Specialist Register for Breast surgery, European Board Certified in Breast Surgery (FEBS) and The Associations of Breast Surgery (ABS)(BASO)(ESSO).
